

## Hold Harmless Agreement

To Whom It May Concern:

I voluntarily consent to be ministered to by Samia Zumout, a prayer minister. I understand that some or all of the procedures used to give spiritual and emotional help through the use of this individual prayer ministry method may not be clinically demonstrated to guarantee either short-term or long-term results. **I fully understand that the ministry I receive is not counseling in any form, but prayer ministry, and that the facilitators do not purport to be professional counselors.**

I fully accept this ministry and do not hold anyone responsible for any outcome that may arise as a result of it. I do not hold Samia Zumout responsible for any further or additional care I may need in the future. I take full responsibility for my life, health, and well-being now and in the days to come.

I am voluntarily accepting this offer of prayer ministry and understand that I am free to terminate my participation at any time for any reason. I take responsibility for any consequences of prematurely terminating any spiritual intervention done on my behalf. I understand that once I leave this place of ministry, I assume full responsibility for any choices I make that may be detrimental to me. I also accept responsibility for all aftercare and follow-up ministry, since this ministry opportunity is limited to this particular time frame and does not promise future sessions.

I also fully understand that this ministry opportunity is being offered on a donation basis and understand that **this is not a professional counseling office**. I am aware that Samia Zumout is not employed by Immaculate Conception Church and lives completely dependent on Divine Providence (donations). Samia Zumout does not charge for the ministry but gratefully accepts donations for the time she invests in each session to be able to sustain her livelihood and continue this ministry.

I accept this ministry opportunity as a gift and can freely give as I choose to support this cause. If I choose to contribute any money to this ministry, it is as a token of my appreciation and not as payment for service rendered.
